Dear Applicant for 2018 camp season;

Thank you for applying to the Society of Saint Vincent de Paul's Residential Camps. We require staff members who are interested in working with children from a variety of backgrounds, comfortable in the outdoors and able to participate constructively in community living. Staff who work for the Society are role models for the campers, therefore appropriate conduct is expected. This type of work is very physically demanding and applicants with significant health issues should consider whether they will be able to manage the demands of the job. Please be advised that Marygrove Camp and Camp Ozanam are **not** peanut free facilities.

Marygrove operates from late June until the end of August. Camp Ozanam operates late July into August. Qualified candidates are hired for either a few sessions or for the whole summer, based on availability and need. Please be sure to list your availability on the application.

Interviews will be scheduled for new applicants at our Head Office in Toronto. Please note, not all applicants will be granted interviews. Former Staff who do not require an interview will be sent a hiring package in late February, early March.

Please be advised that all staff require a Social Insurance Number (S.I.N.). If you do not have a S.I.N. number, please apply immediately as there is often a waiting period. Additionally, an important step in the application process is ensuring that the reference section of the application is complete. Incomplete applications will be returned.

Both Marygrove Camp and Camp Ozanam are non-smoking facilities. If you smoke, please reconsider your application. We do not provide a smoking area on site and will not permit staff to leave grounds to smoke.

If you require additional information, please do not hesitate to contact me at our Toronto office at (416) 364-5577 ext 224. Remember, we are interested in hiring you, we expect to communicate with you directly not your parent and can work around school and other commitments. Please ONLY return application by mail (Marygrove has first set of interviews done in late February and Camp Ozanam in May)

Sincerely,

Louise Coutu
Director, Marygrove Camp

David Amadei
