Email to Voters

Re: Election of Toronto Central Council President

Hello everyone,

The purpose of this email is to let you know the process we will be using for you to vote for your choice of President of Toronto Central Council.

Because of its efficiency, we will be using an on line voting system for the election of the President of Toronto Central Council. The voting system is called Election Buddy. Election Buddy was used successfully in the recent election for the President of Ontario Regional Council. It is very easy to use and maintains the confidentiality of your votes.

Next week you will receive an email (developed by the Election Committee) from Election Buddy containing a link to a ballot to cast your vote. Please click on the link to access the voting page, select your choice for President and submit it on line. Be assured that your selection will be kept confidential.

The on line voting system will open at 9:00 am on April 18 and close at 11:59 pm on April 30.

In the event that none of the candidates receive more than 50% of the votes cast, a run-off vote will take place as required by the Rule. Should this happen, you will be advised and the second vote will take place also using Election Buddy.

If you have any questions or concerns with the system, please let us know.

Information on each candidate is posted on our web site at

Fraternally yours
