Memo To: Vincentian Conferences within the city of Toronto

From: Louise Coutu, Executive Director

Re: Vulnerable Sector Checks Police checks for Persons
living in the City of Toronto whose postal codes begin with the letter “M”

All Vincentians, volunteers and employees of the Society of Saint Vincent de Paul require a **Vulnerable Sector Check**; we do not accept police record checks obtained for use by other agencies or the Archdiocese and we do not accept standard police checks, they must be Vulnerable Sector Checks. Toronto Police Services are now managing requests for Vulnerable Sector Checks through an online portal.

There is a **new form** for those continuing to use mail or visit in-person available at <https://www.tps.ca/services/police-record-checks/>. Please destroy your old forms. If you need help obtaining a form to mail in or to take in person, please contact the SSVP office at 416 364-5577. We really encourage the use of the on-line portal wherever possible, share the link with applicants: <https://www.tps.ca/services/police-record-checks/>

Frequently asked Questions from the Toronto Police Services follow. Please note, the three major changes are:

- Vulnerable Sector Checks can be obtained on-line
- The Society is now identified by a code, the code is:
202309TPSON22DF1
- Whether on-line or in person, payment for the VSC must be made by the applicant, upon receipt of the completed check, the Conference may reimburse the applicant. This reimbursement is recoded as an administrative fee in the Conference financial records. If the Conference is experiencing financial difficulty, please reach out to your Particular Council

Please note, Police Record Checks are to be handled with care and discretion. Apart from information that might be on the report, personal information is also available. Should an applicant have something on their record, they do not share the report with the Conference, they contact the Society, by email or phone and speak with the Executive Director who will follow the process for reviewing positive checks. The process is available on our [Vulnerable Sector Check policy](#)

Sincerely,

Louise
