

Spiritual Reading for March 2020

From John chapter, 3 verse 22.

"After this Jesus and his disciples went into the countryside, and he spent some time there with them..."

Discussion

We are in the season of Lent, a time in which we are given to spend time with Jesus. He wants to spend time with us. In the quotation from scripture from Saint John:

- 1 Try to imagine what it would be like to be one of the disciples spending time with Jesus in the countryside. Share your imaginative response with your fellow Vincentians.

The traditional ways of spending time with Jesus are:

- a. Personal prayer time
 - b. Communal prayer time
 - c. Reading scripture together or in a group
 - d. Participating in mass
 - e. Speaking with and listening to our fellow Vincentians and with our neighbours in need.
- 2 Pick one or more ways of these traditional ways of spending time with Jesus that have proved very fruitful to you and share that with your brothers and sisters.
- 3 Spend some time in the meeting you are holding now for silence and as privileged moments for spending time with Jesus.
